THE SACRED CLASSICS. OR, CABINET LIBRARY OF DIVINITY: With an original Introductory Essay to eac EDITED BY

THE REV. RICH'D. CATTERMOLE, B. D.

THE REV. HENRY STEBBING, M. A. O other country is so it in as England in Sacred Literature. Her greatest Powers and Paulosophers are shared with her invites in setting forth and exclusining the truths of Revelation; while her Divines have been distinguished alike my the greatest production. been distinguished alike by the coprousneand the depth of their learning.

The soundness of character thus given t

the standard Theology of England has, the a virtey of circumstances, seen happing prevented from degenerating into the harshness of sen dasticism; and thus the whole series .. our 'Sacret Classics.' is a well of truth consolation, as open to the general reader as to the most learned student.

It is intended to comprise in this collection the best works of all the most cel brated wer ters, whose labours have been devoted to th elucidation and practical enforcement of the principles of revealed truth, whether in their application to the immortal interests of indi-viduals, or to the order and well being of so Treatises on the Doctrines, Morality Evidences of Christianity, which have to ceived the permanent stamp of general appr tion; select Sermons of the most emin Desines; the most interesting specimens of R in Bugranny; and the chaices examp of Devotional and Secret Plastey, who succe each other in the order which may be to at conductive to the benefit and gratification of the reader.

To the productions of each author, or to each separate production, as the cise may tory Essay, pointing out their characteristic excellencies; and, in some instances, comprending a biographical sketch of the Author. with remarks on the state of religion in his

OMPANION TO WALDIE'S LI-BRARY.

Periodic s ever offered to the public.

BEI ORE the Select Circulating Libra ry had being in existence, it was there was still something discovered t wary occurrences in the lite wanting-th rary world med assemknown, as regarded our agency, without an extension of the plan-To establish a fuller nation of communication and scopey the desi errorm, the Journal of Belies Lettres was added; which we have reason to believe has afforded general The very liberal patronage exnded to the Labrary induced the proprietor to give that gratuitously as an evidence f his acknowledgments.

More extended experience has shown ther desiderate which the "Companion" is intended to supply. While reading for the Library" a large mass of material accumulates on the hands of the editor, of an interesting, entertaining, and instructive description, such as would properly come unscription, such as women properties, inter-der the designation of Mugaziniana, inter-der the designation of Mugaziniana, inter-der the designation of Mugaziniana, interpersed with the Reviews from the Quarterlies. To publish every think of time cruich too much on the columns of the "Library" designed for books, and yet to pasthem by is constantly a subject of regret. To concentrate, therefore, the publication of Presidency—a contest which the indications of the present year will go far to decide.

The first number will contain the Proceedings of the Democratic National Convention, Library, will be offered to the data was a Library, will be offered to the data was a light of the first publication of Waldie Library, will be offered to the data was a light of the first publication of Waldie Library, will be offered to the data was a light of the first publication of the convention, Library, will be offered to the data was a light of the convention of the co Books entire, Reviews, lists of new works the choicest contributions to Magazines o he held at Baltimore on the 20th of next Library" will be offered to the patronage of Jeremy Taxlor, Bates, Bayle, Baxter, Owen, court, and a structure has already the present subscribers and the public at Culworth, Thomas A. Kempis, Burnet, Howe, even engaged to report the Proceedings of large. It is believed that with the "Library," Butter, Wilson, Bunyan, Fenelon, Doddridge, the Convention, and the Speeches which may the "Journal," and the "Companion," such an acquaintance with the literature of the

1. The "Companion" will contain the earliest possible reprints of the best matter in the British periodicals.

2. It will be issued every fortnight, and the form will be the same as that of the Library-each number containing sixteen pages-thus, every six months, giving thir-teen numbers, which can be bound with the Library at little or no more expense, and

as possible, as it is intended to commence the work on the first of January next. Or the issuing of the second number payment vill be expected, as its appearance will ovince 1 miliciency of patronage.

The proprietor of the "Select Circulating times, you many sware from experience of the sapid stiffusion of cleap and select hierature, the been induced to said the important feature to the work, and of course leaves it optional with the present subscribers and others to ake it or not meins m. of itras nd

It is confidently believed, that, with the flention on the part of the Editor, who has dready at hand the material for such a work, ill the really valuable matter of the English iterary and antising publications may be imprised in this form at a rate of subscripton and poilage, so trifling as scarcely to be felt. It will form the cheapest reprint o eviews and magazines ever attempted in ny country; a comparison with others it were uncless here to enter upon, the Libra ry2 itself being the hest test by which to judge of the difference between an octave and a quarto page. It will be the study of the Editor to embody a record of the day. tapted to the wants of this country, which an have no competitor for value or cheapess; how far he is likely to do this he mide at mesent to the decision of his readers Clubs of five individuals, who subscrib the 'Library' and 'Companion' both, wit stain the two for six dollars, the postage very important consideration) to the most listant out office, on the two, will be one ollar and ninety five cents, divided into venty eight paya ents, and half that sum or 100 miles or a less distance from Philaelphia, while the same matter, in the usu American reprints of reviews and magazines in octavo form would be eighteen do ars, and the postage as three to one.

ake this assertion advisedly. Subscri, tions to the 'Companion,' will tken either with or without the Linia.

The proprietor trusts that his punctuality exactness in executing his part of the intract in the publication of the 'Library. vill be considered a sufficient guarantee o he completion of his proposed undertaking. ADAM WALDIE.
